

A square graphic with a purple border and a blue-to-purple gradient background. In the top-left corner, a spotlight is shown from a top-down perspective, casting a beam of light that transitions from yellow at the source to green and then blue. The word "TEX" is written in a large, yellow, serif font, centered horizontally and partially covered by the spotlight's beam. In the top-right corner, two mathematical equations are displayed in white text: $i = \sqrt{-1}$ and $e^{i\pi} + 1 = 0$.
$$i = \sqrt{-1}$$

$$e^{i\pi} + 1 = 0$$
